### **CC/EXT/010 - Bracket order Charge Policy**

Bracket orders will help to limit your loss and lock in a profit with Auto profit trailing SL.

We would like to inform that "As we find more participants engaged in Bracket order, Limited period for free version is over". As it is semi Algo based, We have planned to charge the actual cost of Rs.4 per executed order.

This policy will be effective from **Dec 01, 2018 onwards**.

Note: MIS order and cover order remains free of charge.
