**CC/EXT/020 - Change in margins on account of Budget 2019**

Dear All,

In anticipation of the increased volatility in the markets owing to the Union Budget tomorrow, **February 01 2019**.

The following precautionary measures will be in effect.

1. BO & CO orders will remain blocked in all segment
2. MIS index option buying leverage will remaining blocked in all segment.
3. MIS margins Will be 5 times In all segment.

**Note:**

Margins/leverage are subject to change based on the discretion of the RMS team. We will start allowing BO/CO and increase margin requirements if volatility subsides. If Any changes will be flash the message through our Terminal (Like Ant desk, Ant Mobi, Ant web) and via SMS.
